

Get Your Licence Course

We make it Easy

Getting a driver licence is challenging.

Our program takes care of the entire process from permits and tests to scheduling driving lessons.

We provide online resources and continuous support to ensure each participant comfortably achieves their goal.

We make it NDIS Claimable

We guide you through the process.

The course can be claimed as Skilling & Training via Core and/or Capacity Building Supports at a cost of \$3,300.

Talk to us about the inclusion of driving lessons. Register your clients today!
